The Texas Workforce Commission's Texas Rising Star (TRS) program is a voluntary, quality-based child care rating system of childcare providers participating in the Texas Workforce Commission's subsidized child care program. The child care providers that voluntarily achieve TRS provider certification offer quality care that exceeds the state's minimum Child Care Licensing Standards and help to contribute to the early development of our region's children. As providers advance through the levels of TRS certification, they can contribute progressively to the development of the children they serve daily.
