### **About The Plaza Hotel Pioneer Park**

Slated to open in the spring of 2020, The Plaza Hotel Pioneer Park is a newly restored, historic boutique property located in El Paso, Texas. Set in the heart of downtown's Las Plazas Arts District, the 130-room architectural landmark originally opened in 1930. The Plaza is in its final stages of a complete restoration with the addition of two restaurants and bars, and it makes an impressive addition to the city's overall revitalization plan. Upon its opening, The Plaza Hotel Pioneer Park will celebrate local artistry, diversity and the vibrancy of West Texas culture.
