FOR IMMEDIATE RELEASE

WSB Offers Year Round Career Navigation Program

(El Paso, TX) November 1, 2019 – As October came to an end, Workforce Solutions Borderplex (WSB) wrapped up a month featuring Disability Awareness. However, as the leader in innovative workforce services in the borderland region, WSB wants the public to know that ability hiring occurs all year long through the Career Navigation Program.

With the help of additional funding and partnerships, WSB is able to maintain an ongoing effort to create work-based learning opportunities for students with disabilities. This includes internships, apprenticeships, and employment throughout the school year and summer months. Special events and training activities are organized to increase employer understanding of the abilities of students with disabilities. WSB will also provide resources to employers in the areas of disability etiquette and accommodations.

To support the Career Navigation Program, Maricruz Muro serves as lead Student HireAbility Navigator. Ms. Muro manages the statewide program for WSB. She is responsible for supporting and expanding post-secondary education and employment services to youth with disabilities.
