WORKFORCE SOLUTIONS BORDERPLEX RELEASES HOT JOBS REPORT

El Paso, Texas (November 19, 2019) – Workforce Solutions Borderplex (WSB) is proud to share the organization’s latest report, 2020 Hot Jobs, which features the most current trends in job growth, job openings, and hourly wage information. The goal of the report is to provide a forecasting resource for all types of job seekers.

“We are really excited to share WSB’s Hot Jobs List as a tool to guide citizens into the most opportunistic jobs. This reports reinforces the focus we have for our resources and efforts for skills training and job readiness,” said Leila Melendez, COO of Workforce Solutions Borderplex. “As we head into the end of 2019 and the beginning of the new year, new job seekers and those looking for a change in profession will benefit greatly from this information.”

WSB developed the 2020 Hot Jobs report to offer detailed information on jobs that have experienced at least 10% growth in the last 10 years. These include jobs that have at least 20 or more positions, currently open in the region, as well as an hourly wage of at least \$12.31. In addition, the report indicates where occupations rank high in top wage quartiles and/or STEM/advanced industries. Similarly, the report shows which occupations are projected to see a slowing or “cooling” in growth in the next ten years.

Worth noting are the new jobs on the 2020 list by job category.

Construction: Plumbers, Pipefitters, Steamlifters, Cement Masons and Concrete Finishers
